<u>Webinar</u>

Basics: HFS Software for New Users and those who need a Refresher

Topic: Basics for HFS Software for New Users and those in need of a Refresher.

Host: Steve Booth

Date: Tuesday, April 30, 2013

Time: 10:00 am, Pacific Daylight Time (San Francisco, GMT-07:00)

Session Number: 621 675 838

Registration password: This session does not require a registration password.

CLICK HERE TO REGISTER: http://img.constantcontact.com/letters/images/spacer.gif

PLEASE NOTE:

The HFS USER MANUAL is available to print from the Pre-Course Material section.

In addition, as HFS is offering one CPE credit for this 1 hour course, for those attendees who may be taking this course in a "GROUP SESSION," the necessary sign-in sheet, roll-call answer sheet, and the Evaluation Form are also available to print from the Pre-Course Material section.

You can also request the User Manual and the necessary sign-in sheet, roll-call answer sheet, and the Evaluation Form by e-mailing me at: steve@hfssoft.com

If you are taking this course NOT IN A GROUP SESSION, but from your own computer, you DO NOT need the sign-in sheet, roll-call answer sheet, and the Evaluation Form. These items are JUST for attendees in a multi group session.

If you are taking this Webinar in a GROUP SESSION (i.e. a number of you are in a conference room following the Webinar from one computer using an overhead), Then ALL ATTENDEES WILL need to sign the sign-in sheet, answer the Roll Call questions using the Roll Call Answer Sheet, and complete the Evaluation Form. ALL THESE ITEMS WILL THEN NEED TO BE E-MAILED TO MY COLLEAGUE, Jake, AFTER THE WEBINAR AT: jake@hfssoft.com
