<http://www.hfssoft.com/iFrame/Support/isupport.aspx>

The user manual can be downloaded by clicking on the first item labeled "HFS User Manual" in the top right hand section of the screen: <https://www.hfssoft.com/doc/32bitUserManual.pdf>

In addition, as HFS is offering one CPE credit for this 1 hour course, for those attendees who may be taking this course in a "GROUP SESSION," the necessary sign-in sheet, roll-call answer sheet, and the Evaluation Form are also available to print from the Pre-Course Material section.

If you are taking this course NOT IN A GROUP SESSION, but from your own computer, you DO NOT need the sign-in sheet, roll-call answer sheet, and the Evaluation Form. These items are JUST for attendees in a multi group session.

But, you WILL need to get the Agenda, ESRD PS&R, and the PS&R Basics material from the pre-course material section when you register.

You can also request these items by e-mailing me at [steve@hfssoft.com](mailto:steve@hfssoft.com).

As already mentioned, if you are taking this Webinar in a GROUP SESSION (i.e. a number of you are in a conference room following the Webinar from one computer using a overhead), then ALL ATTENDEES WILL need to sign the sign-in sheet, answer the Roll Call questions using the Roll Call Answer Sheet, and complete the Evaluation Form. ALL THESE ITEMS WILL THEN NEED TO BE E-MAILED TO MY COLLEAGUE, Jake, AFTER THE WEBINAR AT: [jake@hfssoft.com](mailto:jake@hfssoft.com)

All Attendees in the Group Session will also need to get the Agenda, ESRD PS&R, and the PS&R Basics material from the pre-course material section when you register.
