Updates Notes

LTCIR, version 39.1.159.0

The LTCIR has been updated to incorporate OSHPD's required specification and edit limit changes for the 39th version effective for FYE 12/31/2015 - 12/20/2016 (D001-00-012206)

Getting the Updates

If the software is already installed on your computer, open the software and go to Help | Check for updates.

If you do not have the software already installed on your computer, go to our website- <https://hfssoft.com/>. At the top of the page there is an orange Download tab, click on it. If you are logged in you will be taken to our Download Center. If you are not logged in, you will be prompted to do so before you are taken to the Download Center. Then click on 'Full Version' to begin the installation. You will need admin rights to do this initial installation.

If the Help | Check for updates option is not available your company has opt'd for the Net Synch option and will distribute the update at their convenience.

Please contact us if you have any questions or comments regarding this update.

Sincerely,
Health Financial Systems
