Software Patch Notification

We recently released a software patch for the Hospital and SNF software. The reason for this patch is to repair the following issues.

[Visit our website](#)

Patch Notes

Hospital, 2552-96, version 25.92.159.1

Calculate - Corrected an issue with the DSH reduction for a cost report with a 9/26/1999 cost report period beginning date. (D001-00-014157)

SNF, 2540-10, version 7.2.159.1

Other - Form and Instructional changes made for CMS clarifications including modification of the effective date for the SNF-based Hospice changes to cost report period begin dates on or after 10/1/2015 AND ending on or after 9/30/2016. (D001-00-014206)

Getting the Updates

If the software is already installed on your computer, open the software and go to Help | Check for updates.

If you do not have the software already installed on your computer, go to our website- <https://hfssoft.com/>. At the top of the page there is an orange Download tab, click on it. If you are logged in you will be taken to our Download Center. If you are not logged in, you will be prompted to do so before you are taken to the Download Center. Then click on 'Full Version' to begin the installation. You will need admin rights to do this initial installation.

If the Help | Check for updates option is not available your company has opt'd for the Net Synch option and will distribute the update at their convenience.

Please contact us if you have any questions or comments regarding this patch.

Sincerely,
Health Financial Systems
(888) 216-6041
