

Dear Clients,

We would like to notify all HCRIS users that the HCRIS site is back up and running. If when you go to the HCRIS website and you see a 'bad' webpage please press Ctrl+R to refresh the page.

We apologize for the inconvenience.

We are in the process of incorporating and processing the 1st Quarter 2015 data released by CMS on 1/21/2015. An additional e-mail notification will go out when all of the data is available on the HFS HCRIS site.
