

HFS Webinar Schedule for December 2016

Dear HFS user:

We are sending this e-mail out as a reminder regarding the HFS IRIS webinar scheduled in December, 2016 and regarding a date change for this session.

First, please note that the IRIS WebEx was previously scheduled for Wednesday, December 7th, 2016, but, due to unforeseen circumstances, will now be offered on Tuesday, December 6th, 2016.

We apologize for this change and if you are no longer able to attend this session, it will be recorded and be made available for viewing later.

In addition, if you have already registered for the IRIS session and plan on attending on the new date, there is nothing you need to do.

For new folks registering, please click the "Register Here" link below.

In addition, you can also register on our HFS Webex page ([Click Here](#) to be taken directly to that site).

Once on the site, click on the "Upcoming" sessions tab to see the webinars on offer.

You can also access this page by visiting the HFS Home Page at www.HFSSOFT.com and then clicking Events | Webex Schedule.

Please note, below times are Pacific (California) Time:

Thank you and we look forward to seeing you at this session, and apologies again for the needed date change.
