Dear Clients:

We recently updated the software for the Hospital system.

**Hospital, 2552-10, version 4.7.151.1**

Edits - Modified edit 10900 to allow 13 positions for the W/S B-1 Unit Cost Multiplier on lines 203 and 205 per CMS directive. (D001-00-009005)

Printing - Corrected a condition where W/S A-8-1 would cause printing to freeze the software. (D001-00-009006)
