Dear Clients,

We recently released a software update for the Hospital system. The primary reason for this update is to implement CMS changes, repair software issues, and implement additional features.

**Hospital, 2552-10, version 7.4.157.1**

Calculations - Modified the calculations to automatically open SR921 and SR922 for the "Other" hospital type when the hospital is a CAH. (D001-00-010505)

Calculations - Corrected a rounding error on Worksheet A-8-3, line 11. (D001-00-010575)
