

June 20, 2014

Dear Clients:

The reason for this patch is to include changes made to the Hospital system.

Hospital, 2552-10, version 5.3.154.2

Calculation - Corrected the calculation of W/S M-3 line 9 when provider has exactly 50 beds. (D001-00-009376)

Forms - Modified W/S I-1 line 30.xx to automatically subscript the line based on subscripts of cost center 76. (D001-00-009385)
