

November 14, 2014

Dear Client:

Today we released a software PATCH for the Hospital and SNF systems.

Hospital, 2552-10, version 6.1.156.4

Calculations - Corrected the calculation of W/S E, Part A line 46 when line 42 is exactly 10 percent. (D001-00-009824)

Help - Corrected a typographical error in the CMS help instructions for Worksheet E, Part A line 4. (D001-00-009759)

Help - Corrected the CMS help instructions for Worksheet S-3, Part II. (D001-00-009811)

SNF, 2540-10, version 6.1.156.2

Edits - Corrected missing edit detail for CMS edit 1010D. (D001-00-009815)

Printing - Removed ECR date/time information from Worksheet S, Part I if the cost report file is calculated after producing the ECR file. (D001-00-009816)
