

Release of FQHC CMS Approved Form 224-14 Software - Includes Cost Report Due Dates

Dear HFS 222-92 and 224-14 users :

On April 22, 2016, CMS published the new FQHC Cost Report, Form CMS-224-14. The new form CMS-224-14 will be effective for cost reporting periods beginning on or after October 1, 2014. This effective date reflects the implementation date of the new FQHC PPS, required under the Affordable Care Act.

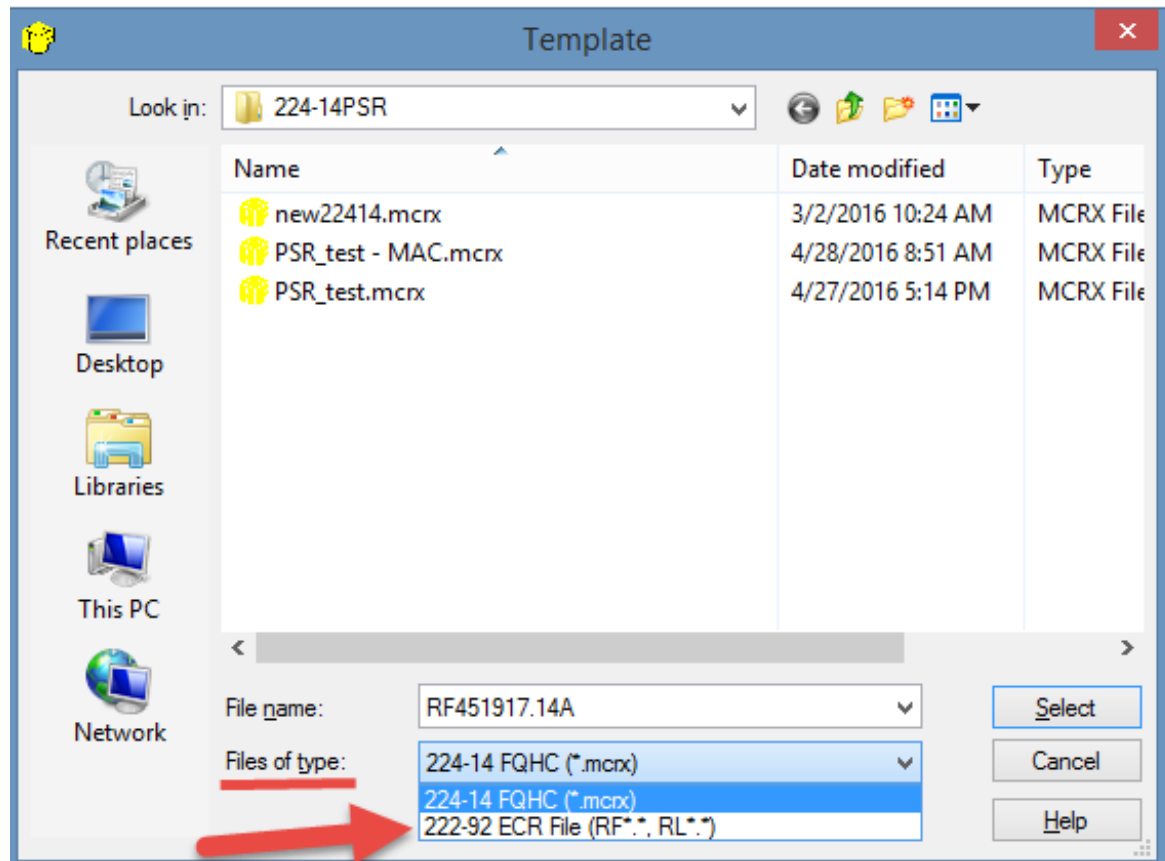

CMS has also issued an extension for the filing of impacted FQHC reports. Following is a table of scheduled due dates by cost report period ending:

Cost Reporting Periods Beginning On or After October 1, 2014 and Ending on or Before:	Original Due Date	Revised Due Date	Extension
09/30/2015	02/29/2016	07/31/2016	153 days
10/01/2015 through 10/31/2015	03/31/2016	07/31/2016	122 days

12/01/2015 through 12/31/2015	05/31/2016	08/31/2016	92 days
01/01/2016 through 01/31/2016	06/30/2016	08/31/2016	62 days
02/01/2016 through 02/29/2016	07/31/2016	08/31/2016	31 days
03/01/2016 through 03/31/2016	08/31/2016	08/31/2016	0 days

HFS was approved for Transmittal 1 on April 22, 2016, and the update was made available to the FQHC cost report users on April 29, 2016. Please note that if you

used the HFS beta system to start 224-14 cost reports, any data entered into the beta system will be retained when you open the .mcrx file in the complete approved version of the software.

Also note that when creating a new FQHC cost report you will have the option to use your prior year ECR (RF) file as a template. When selecting "File|New" from the menu notice that ECR file types will be accepted as a template option as shown below.

If you have any questions or problems with the above, please contact
