Dear Clients,

We recently released a software update for the 2540-10 system. The primary reason for this update is to implement CMS changes, repair software issues, and implement additional features.

SNF, 2540-10, version 6.12.157.1

Calculate - Corrected flow of Medicare charges from Worksheet D, Part I, column 3, line 100, to Worksheet E, Part I, line 20. (D001-00-011030)

Printout - D, I, line 100, col. 2 the total displays correctly on the screen but is not showing up on the printout/print preview. (D001-00-010987)
