Software Update Notification

Dear HFS CHDR User,

Today we released a software update for the OSHPD California Hospital Disclosure System. The primary reason for this update is to implement changes in the Year 42 OSHPD Transmittal. HFS has been approved by OSHPD for these changes and users with FYE's on or after 6/30/2016 must use the updated system.

Update Notes

CHDR, version 42.1.159.0

CHDR - Implemented changes for 6/30/2016 FYE reports. (D001-00-013347)

Getting the Updates

If the software is already installed on your computer, open the software and go to Help | Check for updates.

If you do not have the software already installed on your computer, go to our website- <https://hfssoft.com/>. At the top of the page there is an orange Download tab, click on it. If you are logged in you will be taken to our Download Center. If you are not logged in, you will be prompted to do so before you are taken to the Download Center. Then click on 'Full Version' to begin the installation. You will need admin rights to do this initial installation.

If the Help | Check for updates option is not available your company has opt'd for the Net Synch option and will distribute the update at their convenience.

Please contact us if you have any questions or comments regarding this update.

Sincerely,
Health Financial Systems
