

Cassandra Fahey
Manager
DHG Healthcare

Experience

Cassandra Fahey is a Manager with DHG Healthcare's National Reimbursement Practice, the healthcare industry practice of Dixon Hughes Goodman LLP and works out of the Charlotte, North Carolina office. Cassandra currently provides consulting services to a variety of healthcare entities from large urban hospital systems to small rural facilities.

Cassandra utilizes her Medicare and Medicaid experience in the areas of cost report preparation and reviews, Wage Index and Occupational Mix analysis, reimbursement analyses and assistance with Medicare/Medicaid audits. In addition, she has provided onsite interim reimbursement management assistance for one of the nation's largest and comprehensive non-profit health systems.

Cassandra is actively involved in the healthcare industry with the North Carolina Healthcare Financial Management Association chapter, serving on the Membership Council and Chair of the Payor/Managed Care Committee. She has also presented on topics such as Medicare Reimbursement Updates, Medicare Wage Index and Occupational Mix best practices to the North Carolina Hospital Association, Tennessee Hospital Association and the North Carolina and Tennessee chapters of the Healthcare Financial Management Association.
