CHAD KRCIL

Managing Director, National Healthcare
Government Reimbursement, Compliance &
Reporting Leader

Chad is a Managing Director for BDO where he leads the Government Reimbursement, Compliance & Reporting group. He has over 30 years of national healthcare finance experience focused on Medicare and Medicaid reimbursement strategies. His focus is on reimbursement and revenue cycle functions, including Medicare and Medicaid cost reporting, third-party settlement estimates, contractual modeling and compliance.

Chad is a Certified Healthcare Financial Professional and Fellow of HFMA. Chad is engaged in HFMA both on the national level as well as the local chapter level. He has served as the HFMA Region Executive for Region 10 and is currently serving on the HFMA Chapter Advancement Team. He is a frequent speaker on topics focused on Medicare reimbursement strategies and has authored several articles on Medicare cost reporting strategies and other government reporting programs.
