

**Scott Besler** is a Senior Manager for BESLER's Reimbursement Integrity service line and has over 20 years of progressively responsible experience in hospital reimbursement. He has been responsible for a myriad of areas relating to healthcare facility reimbursement while working at BESLER Consulting. Scott is a Medicare Cost Report expert including DSH, IME/ GME and wage index areas. He has participated in detailed audit reviews of the wage index for acute care hospitals and hospital associations as well as chiefly responsible for unique reclassification strategies.

Scott received a Bachelor of Science degree in Accounting from LaSalle University. He is a member of the New Jersey and Philadelphia HFMA and their respective Reimbursement Committees. He is currently an HFMA director and board liaison to the New Jersey chapter patient financial services committee.
